

Designs that Elevates Spaces

NR STONES

ABOUT US

NR Stones By NR Granites & Tiles

NR Granites & Tiles started in 2021 in Hyderabad. Committed to offering unique and exclusive stones, our outcomes facilitate excellent quality natural stones.

The founding vision of the company is to make excellent quality stones available to customers in their required sizes and specifications at matchless prices. With this approach, the company became India's superior quality natural stone company with a wide selection of affordable designs and patterns. We will not compromise on the expectations of our beloved customers and partners. Our high-quality products cover both residential and commercial spaces of any magnitude.

With sharp business acumen, commendable headship, with experience of 3 years, NR Granites & Tiles started with Granite & Tiles and now we're in to many different types of stones. With a superior quality stone collection making it stand out Infrastructure in the test of time. With years of excellence, the company's mission elaborated to be the most reliable supplier of premium stones. Now, we are taking steps into Indian and Italian marbles. Also, our company started exporting stones, and Indian granites to the international market.

OUR INFRASTRUCTURE

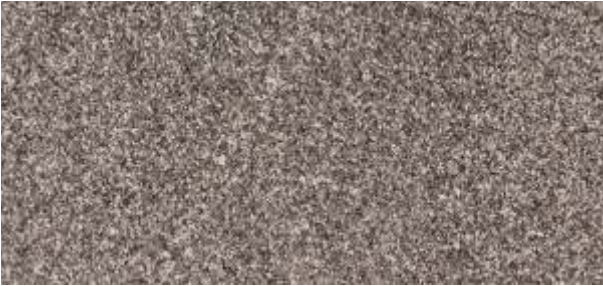

Our Standard Infrastructure is the key to all our quality stones, marbles, and tiles. Our infrastructure is located in Hyderabad. It includes the Plant as well as the main showroom. There is an extensive range of stones available for any specifications of clients. We also undertake laying contracts. We are certified exporters by the Indian Institute of Foreign Trade, Govt of India.
